out of the disreputable company you now AGRICULTURAL SOCIETIES AND FAIRS .associate with, there is but little hope of The recent Fair at Henderson was a com- you ever finding the "home." At any plete success, notwithstanding the general rate, you must stop going about the coundepressed condition of the country, and try encouraging felons to escape from juswhile inciting that portion of the State to wished for bourne. Avoid politics and renewed efforts towards raising the stand- cherish the "tender muse." ard of Agricultural pursuits, we hope it may have the effect of inducing other sections to follow its praiseworthy example. N. M. Lawrence, of Tarboro', is the auth-

We have always thought it strange that Edgecombe, standing foremost in the race of agricultural science and improvements, should have remained so long without this other business for them. in online to further active advancement in this important branch of a counties pros- well known and acknowledged, and we conperity, and now more than ever is some- gratulate the Messrs. Biggs in having sething of the kind needed to revive the cured such a valuable agent in the transacsomewhat languishing energy of our plan- tion of their large and rapidly increasing ters, and thereby instil a more healthy and | business. active spirit throughout every other branch rely upon promptness and accuracy in all of business in the entire community,

It will require but a small amount of business entrusted by them in the hands of enterprise and means on the part of the Mr. L. farmers and planters of the county to inaugurate the movement, and with the great natural advantages of Edgecombe to sustain it, there can be no doubt of complete success. Tarboro' presents every advantage necessary for the location and her proverbial hospitality and enterprise guaran- another column; and endorsed by the tees that the character of the county will suffer no detriment, when cutrusted

We could present many reasons, showing the great importance and utility of the movement, but feel sure that they are fully understood and appreciated by our readers, and that nothing more is needed than a commencement to ensure an universal acquiescence and participation.

We sincerely trust that something may be done. Let a meeting be called; a Society formed, and the" ball put in motion." Other counties are moving in the matter; let Edgecombe take the lead, which is her Firm of G. H. Brown & Co., Washington, rightful position.

THE FASHIONS-COLORS, SHAPES AND entitled to some share of our attention, the good graces of our readers. and as we know they have not yet imbibed Rights" declaration, we publish for their | the new Firm. benefit the following information on the above interesting points.

Red flowing feathers are being effectivebe used with white velvet.

marck in-a-rage has been given. Same of the eccentricities of the short tending the evolutions of this popular toilettes are very painful. We have seen game. three tails, the upper one in each case narrower and longer than the one beneath .-The effect, a quantity of buttons in arches and wedges being applied to each fail, was ludicrous in the extreme. It reminded one of poor Albert Smith's Mrs. Hamper. The remainder of this foilerte was strapped and buttoned until one was reminded of a bad

surgery case in hospital. In another instance the back of the upper skirt was made in the shape of the pointed wing cases of many of the sumner beetles, the bright stripes of green and black used heightening the resemblance There was even the line up between the wing cases. Frightful examples, these. Striped fedlard is very good wear, trimmed, for the most part, in the Empire style, with flat bands or mamented with acoms of

The Marie Antoinette scarf is still worn, and maintains its place, for the Empress still patronises this adjunct. Fringes are being made of torsades; this is, perhaps, the first attack upon the

straight and flat modes of friming which have now prevailed for so long a time. There are three new bonn is -the Compiegne, the Imperatrice and the Istria .-The former is a grey felt, with the head of gailant cockade. The imperatrice is a ted with an aigneste or shear of gold and jet. The Istria cap is a round ruby velvet cap with a gold palm lear.

A DOUBLE STREESAULT, &c .- As the Stage from Washington was endeavoring to cross Hendricks Creek, near Town, on Monday evening-the whole affair, Stage, ing that "bourne from whence no traveller

returns." The incessant rains of that day and night before had swellen the little stream with an almost impassable flood, and in the attempt to cross, the Stage was completely overturned, the driver only escaping by swimming. The horses were extricated after considerable difficulty, but the U.S. Mail was lost, and has not since been re-

It is fortunate there were no passengers, as confined within the close vehicle, they must have found a watery grave.

ROCKY MOUNT,-Our neighbor is fast proud appellation of "Town." One as. sential at least it has already, and that is a Dancing School, the first session of whichclosed on Friday night last, with a very pleasant party, at which was congregated all the beauty, wit and fashion of the place and its environs. Prot Duggon superintended and of course gave general satisfaction. J. G. of the Southerner, was "around" in his Store clothes and as a matter of course created a sensation. Many more

trips in that direction, and we may be called upon to use our pen in announcing a most important event, especially to a typo, and one that few of that gentry dare ven ture upon. Nous verrous. Snigsby cries, be-

ANOTHER WARNING .- We have heard the remark made several times recently, that Tarboro' instead of progressing with the times, was sadly falling off, and without a great change somewhere, bids fair to assume | President of Board of Trustees of Wake a secondary and minor position among the towns of the State. Upon enquiry, the cause becomes evident and is easily traced to the enormous rent now demanded by the short sighted individuals heading real estate for rent. Capital, energy and all the requisites for the advancement of a place are driven off, and not until grass begins to grow in our streets, will the fallacy of their present course be acknowledged.

family misfortunes have been the newspaomed himself in another letter, bewailing his loss etc., etc., etc. It is addressed to his brother and appears in the Warrenton Courier. Some minds desire a certain kind of notoriety, and Mr. S. seems to be one of the number. If he " cant give up " his wife, surely he can give up telling the world of it. Its sympathy will attend him in his mis- lenburg Co., Va. fortune, without the necessity of the pub-

lication of such letters. DISTRESSING AFFAIR .- On Saturday last, Mr. Joseph P. Wilson, of Granville county, under a fit of temporary insanity, com- Perkins, Esq., all of Pitt county, N. C.

mitted suicide by hanging himself to the limb of a tree, His mind is said to have been impaired on account of losses which he sustained during the war. He leaves a large and in-
